

Thinking strategically about effective and efficient use of school finances/resources to improve your school WEBINAR

The DfE expectations on the governance of school finances and effective use of school resources are more explicit than ever. Understanding the impact of spending decisions on academic performance enables boards to better support school improvement.

This WEBINAR provides practical guidance on how boards should monitor school finances, and ensure value for money and effective use of resources. It explains how to use the latest DfE tools to explore alternative approaches to school improvement without spending more money.

On this webinar you will learn:

- The latest on financial oversight expectations
- Audit, risk management, internal controls and scrutiny - what must boards do?
- What does school efficiency mean?
- How to assess resources management
- How to benchmark your school performance
- Understanding the staffing model
- how to make the most of schools most precious resource - its staff
- How to resource the key ingredients for school improvement

All delegates receive an electronic copy of the presentation and supporting materials and resources to help them be more impactful in their governance role.

Who should attend?

Governors or trustees who wants to learn more about the latest tools and guidance on meeting your strategic oversight of finances and making sure the money is well spent. This webinar is suitable for schools, academies and multi academy trusts.

What people say about our training

'The best governor training I have ever attended'

'Inspiring! Thank you! I now feel confident to be a more strategic governor'

'At last, training that provides the tools, examples and checklists to help us do the job'

About our training

As experienced Chairs of Governors we strongly believe in providing training that gives you the knowledge, tools and examples to be effective governors. Our aim is to give you the confidence and tools to improve your governance as quickly and effectively as possible. All our training is provided by National Leaders of Governance who are experienced governance trainers. Our training can be provided as webinars, bespoke sessions for your board or group of schools or face to face sessions (subject to social distancing guidance).

About NLGs

National Leaders of Governance (NLGs) are experienced chairs of governing boards. All NLGs have been through a rigorous designation process from the National College of Teaching and Leadership (NCTL), a part of the Department for Education (DfE), to demonstrate that we have the skills, experience and attributes to be a National Leader of Governance. All NLGs are either actively chairing standalone schools or academies, local governing boards or multi academy trust (MAT) trust boards or have done so within the last five years. All NLGs are trained to support governors through mentoring and coaching and provide governance services which are quality assured.
